

WHAT'S NEXT?

Thank you again for participating in the Be a Light study here at New Vision! We are passionate about guiding people to lives of gospel transformation in the circles of our lives (the groups of people we spend time with). But the fun doesn't end here! We want to help your group take the next step.

What is your next step as a group facilitator?

First, we want to help you become an official New Vision group. As a New Vision group, you are able to be listed on our website where you can add more people, you receive access to numerous resources and curriculum (including childcare reimbursement), and you get to receive training on how to develop your group.

Action Step: Pray about taking the next step as a group and contact us at Groups@NewVisionLife.com.

By letting us know, we will share with you our five commitments as a group facilitator and connect you to a member of our Adult Team that will be able to guide you in leading the group.

Action Step: Prepare to meet with our Adult Team.

Finally, we want you to plan to attend a special workshop for group leaders that will be the morning of Saturday, September 14. At this workshop, you will be able to build community with other leaders as we will walk through the basics of facilitating a group.

Action Step: Put on your calendar to attend Small Group Workshop, Saturday, September 14.
