

Feliz Verano!

HAPPY SUMMER from the La Represa team! The teachers here are finishing the last few days of school, so our Bible program in the schools has officially ended for this school year! Thank you for your support and encouragement during our first year of children's ministries in the school. We are so excited to grow and develop the program this summer and in the next school year and are grateful to have you as part of the team! Apart from our regular program the last few weeks, here are a few exciting things that have happened in the ministry and the community.

Pastor Jorge and the leaders of Jobaso Community Church finished a leadership training with missionary pastor Patricio. New Vision has helped plant this church, and the children's ministry is partnered with them in the commitment to serving the families of La Represa.

The baseball ministry has been preparing for the summer tournament, which will take place from the end of June to the end of August. We are also getting ready for the October baseball ministry team that will work alongside the team here for a week of clinics, field maintenance, baseball games and more!

The children's ministry team joined the public school in a Mother's Day celebration. Juani led the event with a biblical message encouraging the mothers. She talked about their role as women and their responsibility in their children's lives. We also gave them small kitchen and household gifts.

As we close out this school year, we are also preparing for our summer program kick-off next week. We are especially excited, as our intern Tyler will join the team this weekend to help us in the La Represa children and baseball ministries this summer! We will have more updates starting next week from our summer activities, but for now here are a few reminders of what's coming up in La Represa.

There is still time to be a part of what's happening in La Represa this summer!

- If you planned on donating supplies for the teachers here, please do so this week so that they can get to us as soon as possible. You can bring those supplies to New Vision's missions assistant, Andrea Lee. Let me know if you have any questions!
- The La Represa marriage retreat is in just over two weeks! If you still want to sponsor a couple, go to newvisionlife.com/events. Also, consider sending a quick note of encouragement to the couples as they invest in their marriages! (Notes can be sent to kristi@scoreintl.org)

YOU ARE INVITED!

We are preparing for the Christmas Mission Project, and I want to personally invite you to join us! During this week, we will serve the children, families, and school staff in our annual Christmas dinner. We will also visit the homes of families to get to know and minister to them. Finally, sponsors will have

opportunities to spend time with their sponsor child and their family. If you have ever dreamed of visiting your child's home, meeting their family, and playing with them, there has never been an opportunity as intentional as this one! If you still aren't paired with a child, this trip is a chance for you to meet the kids and choose one to invest in. I am SO EXCITED about this trip, and I hope many of you will be able to join us. For more information and to sign-up, go to newvisionlife.com/events or email andrea.lee@newvisionlife.com. I'll see you in December!
